We bring you for sale this spacious property in the popular Jardin del Mar urbanization in Torrevieja, near all amenities and services and very close the beautiful beaches .

Outside you are greeted by a huge tiled garden (103m) with plenty of space to build a pool. Before entering the house there is a small terrace that can be glazed in or enjoy it as it is and overlooks the garden. Inside the house , on the ground floor there is an open living area, separate kitchen, double bedroom and bathroom with shower. On the first floor there are 2 further double bedrooms and a family bathroom, off the main bedroom there is a nice size balcony perfect for a morning coffee or a glass of wine before the sun goes down. Stairs lead up to the sun drenched solarium perfect for privacy when needed.
